OFFICERS

During the first meeting of the calendar year, the council shall elect a chair and vice chair to serve for one year. The chair shall preside at all meetings of the SSTAC. The vice chair shall perform the duties of the chair in his/her absence. In the event both officers are absent, the majority of quorum may appoint a presiding officer for that meeting. Upon resignation of an officer, a special election will be held.

TAMC staff shall serve as primary staff to the SSTAC.

ORGANIZATION AND PROCEDURES

a) Meetings. The SSTAC shall meet regularly at time and date agreed upon by a majority of the members in order to carry out the purpose and duties described above. The meetings are to open and public in compliance with the Ralph M. Brown Act (Government Code Section 54950 et seq.) The meetings are to be held in an accessible location in order to facilitate the attendance of physically handicapped or disabled members of the SSTAC and the community in general.

b) Quorum. A majority of the voting members shall constitute a quorum for the transaction of business.

c) Voting. Voting on all matters shall be on a voice vote unless a roll call vote is requested by any member in attendance. Ex officio members of the council shall not vote although they may participate freely in any and all discussions of the SSTAC.

d) Limitation of Discussion. Discussion on any particular matter by either council members or by any member of the general public may be limited at the discretion of the chair, to such length of time as the chair may deem reasonable under the circumstances.

e) Conduct of Meetings. The meetings are to be conducted in accordance with the principles of Roberts' Rules of Order.

f) Minutes. Official minutes recording the members and visitors present, motions entertained and actions taken at each meeting, shall be prepared by staff and submitted to TAMC after each SSTAC meeting. The minutes shall reflect minority views in addition to the majority viewpoint.

g) Reports. In addition to reports and recommendations specifically requested by TAMC, the SSTAC shall submit an annual report containing the attendance record of each member, a summary of activities and projects undertaken during the preceding year, and the SSTAC's recommendation to TAMC on transit needs that may be reasonable to meet.

h) Bylaws. The information set forth in these bylaws shall be deemed sufficient to serve as the bylaws for the council, subject to approval by TAMC. These bylaws may be amended by a majority vote of the SSTAC members and approval by TAMC.

i) Communications. The SSTAC may communicate freely with elected or appointed bodies, public or private agencies or individuals to obtain information or opinions regarding transportation issues. Copies of all correspondence originating with the SSTAC shall be included, as it occurs, in the TAMC Board and Technical Advisory Committee (TAC) agenda packets.

j) Staff Assistance. TAMC staff assistance shall consist of providing information, preparing meeting agendas as directed, preparing the minutes, preparing correspondence and reports as requested by the SSTAC, and generally assisting the SSTAC.

k) Conflict of Interest. A SSTAC member or ex-officio member shall disqualify himself/herself from making, participating in, or attempting to influence any SSTAC decision which will have a foreseeable material financial effect, distinguishable from its effect on the public generally, on: (1) any real property in which said person has a direct or indirect interest worth more than \$1,000; (2) any source of income aggregating \$250 or more in value provided to, received by, or promised to said person within 12 months prior to the time when the decision is made; or (3) any business entity in which said person is a director, officer, partner, trustee, employee, or holds any position of management.

PUBLIC HEARING PROCESS

TAMC shall ensure the establishment and implementation of a citizen participation process utilizing the SSTAC as a mechanism to solicit the input of transit dependent and transit disadvantaged persons, including the elderly, disabled, and persons of limited means. The process shall include provisions for at least one public hearing. Notice of the hearing, including the date, place, and specific purpose of the hearing shall be given at least 30 days in advance through publication in a newspaper of general circulation. TAMC shall also send written notification to those persons and organizations which have indicated, through its citizen participation or any other source of information, an interest in the subject of the hearing.

Unmet transportation needs identified by the SSTAC shall be reported to the relevant Local Transportation Fund (LTF) jurisdiction. The SSTAC chair may appoint SSTAC members to meet with LTF jurisdictions in regard to unmet transportation needs, and to attend each jurisdiction's public hearing on unmet transportation needs.

IDENTIFICATION OF TRANSIT NEEDS

Prior to TAMC making any allocation for streets and roads purposes, the SSTAC shall assist TAMC in annually doing the following:

(1) Assess the size and location of identifiable groups likely to be transit dependent or transit disadvantaged, including, but not limited to, the elderly, the handicapped, and persons of limited means, including recipients under the CalWORK's program.

(2) Analyze the adequacy of existing public transportation services and specialized transportation services, including privately and publicly provided services, in meeting the transit demand identified in the above paragraph.

(3) Analyze any potential alternative public transportation, specialized transportation services, or transportation service improvements that would meet all or part of the identified transit demand.

ADOPT UNMET NEEDS RESOLUTION

The SSTAC shall annually make a recommendation to TAMC in regard to which of the following resolutions should be adopted by TAMC resolution:

- (1) there are no unmet transit needs, or
- (2) there are no unmet transit needs that are reasonable to meet, or
- (3) there are unmet transit needs, including needs that are reasonable to meet.

If TAMC adopts a finding that there are unmet transit needs, including needs that are reasonable to meet, then the unmet transit needs shall be funded before any TDA allocation is made for streets and roads.

The definition adopted by TAMC for the terms "unmet transit needs" and "reasonable to meet" shall be documented by resolution or in the minutes of TAMC. The fact that an identified transit need cannot fully be met based on available resources shall not be the sole reason for finding that a transit need is not reasonable to meet.
