

BUS SERVICE AND PUBLIC TRANSPORTATION

PROJECT BENEFITS

- ▶ Allows elderly and disabled persons to travel independently
- ▶ Provides an alternative to driving for commuters
- ▶ Reduces traffic throughout Monterey County
- ▶ Improves access to local businesses and services

PROJECT DESCRIPTION

Implementation of the 14-year transportation improvement plan will provide an estimated \$28 million (8% of all new revenues) for bus transit services. According to the plan, this money can be used for:

- ▶ South County transit service
- ▶ More elderly and disabled service
- ▶ Commuter bus service
- ▶ Transit stations
- ▶ Bus stops and shelters
- ▶ Other transit services

REVENUE GENERATED

\$28,000,000

In partnership with:

Monterey-Salinas Transit bus
