

US 101 Prunedale Improvement Project

PROJECT BENEFITS

- ▶ Addresses safety concerns in a high accident corridor:
 - 782 accidents (2003-06)
 - 11 fatalities (2003-06)
 - 453 injuries (2003-06)
- ▶ Eliminates dangerous left turns
- ▶ Reduces delays on US 101
- ▶ Provides safer access for local businesses and residents

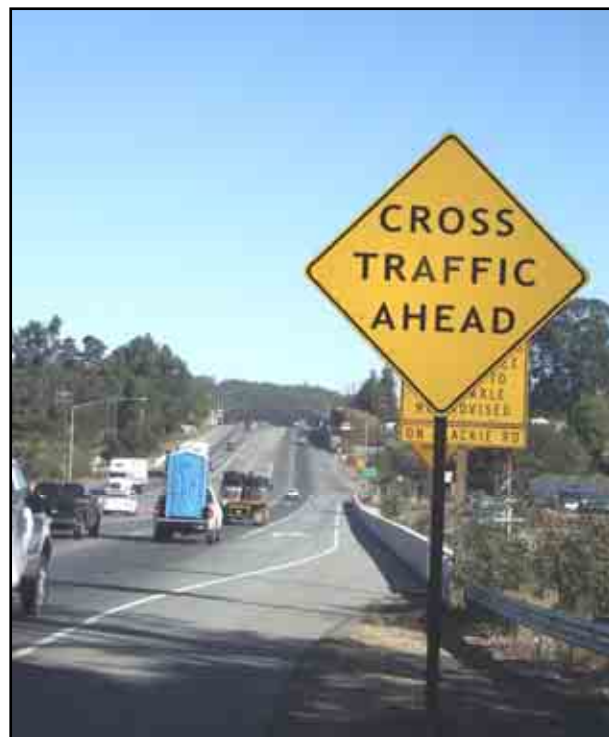

PROJECT DESCRIPTION

The Prunedale Improvement Project will construct 3 new interchanges / overpasses along US 101 through North Monterey County at: Russell/Espinosa, Blackie/Reese, and Crazy Horse Canyon/Echo Valley Roads. The project will also construct a continuous median barrier from Crazy Horse Canyon to Russell/Espinosa. Additional Improvements will also be made to the San Miguel flyover and to local roads throughout the corridor to improve access and local circulation. The Prunedale Bypass, which will add 4 new travel lanes to the east, will be built in the future as phase two of the project.

COST ESTIMATE

\$ 283,000,000

In partnership with:

US 101 through Prunedale
