Re: Pavement Management Program Annual Report Letter

The City of Del Rey Oaks confirms that it has a Pavement Management Program that conforms to the criteria established by the Transportation Agency for Monterey County and included in the Measure X Agreement with the Local Agency. An approved Pavement Management Program must be in place to be eligible for Measure X funds.

The Pavement Management Program utilizes a software system developed by:

The last update of the inventory was completed on:	6/2018
- Average Pavement Condition Index (PCI) 74
