FILING DEADLINE: OPEN UNTIL FILLED

SUPPLEMENTAL QUESTIONS

Responses to these Supplemental Questions must be submitted with your application package for it to be considered complete. Invitations to participate further in the hiring process will be based on an evaluation of your application and the response to these questions. Applications received without a Supplemental Questions Response will not be considered.

Please number your responses and address each question separately. Include your name and the title of the position for which you are applying at the top of each page submitted.

1. Give an example of your experience, training or education that demonstrates your skill to plan a project or program, or write a grant application, and carry it out according to an established timeline and set of requirements. Include information about the type of project, plan, or program(s), your role, what your work plan and timeline, the extent of any public engagement, and how you coordinated your activities with interested parties.
2. Give an example of your experience that demonstrates your skill to research policies, collect and analyze data, and draw conclusions for staff reports, plans, project evaluations, or grant applications. Include information about the kind of data the analysis required, the findings and recommendations you made, how you presented your results to non-technical decision makers, and what the outcome was.
