

REQUIRED MATERIALS

TO APPLY: Both a standard Transportation Agency for Monterey County (TAMC) Application form and Supplemental Questions response must be submitted. Resumes may be submitted but will not be accepted in lieu of required application materials.

Initial interviews will be considered for applications received by April 30th, 2026

SUPPLEMENTAL QUESTIONS

TRANSPORTATION ENGINEER

Associate – Principal Levels

Instructions:

Responses to these Supplemental Questions must be submitted with your completed application materials. Invitations to participate further in the hiring process will be based on an evaluation of your application and the response to these questions. Applications received without a Supplemental Questions Response will not be considered. A resume, letter, application, etc. will not be accepted as a substitute for a response to these questions. Failure to provide a complete response to any of these required questions will eliminate you from further consideration. Please number your responses and address each question separately. Include your name and the title of the position for which you are applying at the top of each page submitted.

1. Please describe your experience, training, and role in managing the delivery of multimodal or complete streets transportation projects. In your response, include one example that demonstrates your ability to coordinate effectively with partner agencies such as Caltrans, local jurisdictions, consultants, or community stakeholders, to advance a project through planning, environmental review, design, and/or construction.
2. Please describe your approach to incorporating multimodal safety and complete streets design features such as roundabouts, pedestrian crossings, bikeways, and other safety countermeasures into transportation projects. In your response, explain the rationale behind these improvements and provide any relevant experience applying safety and mobility principles to enhance access for people of all ages and abilities.

SELECTION PROCEDURES

All application materials will be competitively evaluated. Those applicants who are determined to be the most appropriately qualified will be invited to participate further in the process. An oral and/or written exam may further assess the applicant's level of required skills and knowledge. If you have questions call (831) 775-0903.

Applications may be obtained from website: www.tamcmonterey.org
