AB 361 FINDINGS

M/S/C Oglesby/Kerr/unanimously

The Board considered finding, pursuant to AB 361, that the COVID-19 pandemic state of emergency declared by Governor Newsom is still in effect; the TAMC Board of Directors has reconsidered the circumstances of the state of emergency; and the state of emergency continues to directly impact the ability of the members to meet in person.

Agency counsel Hansen reported It is recommended that the TAMC Board of Directors find, pursuant to AB 361, that the COVID-19 pandemic state of emergency declared by Governor Newsom is still in effect; the TAMC Board of Directors has reconsidered the circumstances of the state of emergency; and, the state of emergency continues to directly impact the ability of the members to meet in person.

The Monterey County Health Officer has recommended social distancing measures for meetings of legislative bodies, and additionally, the TAMC Board of Directors passed a resolution also making these findings on September 22, 2021, so the Board of Directors and the Board's advisory committees have been able to meet remotely since September. In order to continue meeting, in addition to the resolution, the Board of Directors must continually make the findings outlined above every 30 days.

Accordingly, staff recommends making the appropriate findings. This action should occur within every 30 days, per AB 361, in order to keep meeting remotely; additional special meetings may be necessary for that purpose. These findings apply to the TAMC Board and all TAMC Board advisory committees.

4. ANNOUNCEMENTS AND/OR COMMENTS

Executive Director Muck announced future special meeting dates of November 17, 2021; December 15, 2021, and January 12, 2022; noting the Agency will continue scheduling special meetings to comply with AB 361's 30-day requirement as long as the Governor's proclaimed state of emergency is still in effect.

5. ADJOURNMENT

Chair Smith adjourned the meeting at 8:42 a.m.
