BACKGROUND

The Transportation Agency for Monterey County (“TAMC” or the “Agency”) is a state-designated public agency with regional transportation planning responsibilities, including rail planning, that cross city-county boundaries. TAMC is committed to planning, funding, and delivering transportation projects for the region. The Agency is also committed to providing information to the public about its projects, plans, and activities, ensuring public participation and fostering public understanding of its functions.

TAMC’s Board of Directors includes twenty-three members who consist of local officials from each of its twelve incorporated cities and five county supervisorial districts, and ex-officio members from six public agencies. The mission of TAMC is to proactively fund and plan a transportation system that enhances mobility, safety, access, environmental quality, and economic activities by investing in regional transportation projects for Monterey County residents, businesses and visitors.

PROJECT DESCRIPTION

This request for proposals will be used by TAMC to select a consultant or consultant team to provide safe routes to school education and encouragement programming in communities across Monterey County.

Attachment A is a draft Scope of Work. A final Scope of Work will be made a part of the professional services agreement between TAMC and the consultant. A copy of the standard TAMC agreement anticipated to be utilized is Attachment B. Any requests to modify the standard contract provisions must be made as part of the request for proposals. A single document will be prepared between the Consultant and TAMC consistent with the provisions of these attachments.

It is important that the consultant has the capability to work closely with Agency staff. The consultant or consultant team must be prepared to undertake whatever liaison and meetings are required to satisfy this requirement.

PROJECT BUDGET

The estimated budget for this work is **\$3,622,091** from a combination of grant and local funds. There is no federal funding on this project.

PROJECT SCHEDULE

This project is anticipated to take approximately 6.5 years to complete, starting in June 2024 and being completed by December 2030. The contract schedule is based on the schedules for the respective grant awards.

SELECTION PROCESS

TAMC will establish a review committee to review the proposals. This review may be followed by an oral interview between a review committee and the firm(s) that respond(s) best to the RFP. Based on the recommendations of the review committee, TAMC staff will issue a "Notice of Intent to Award" notice to all responders, indicating staff's intent to negotiate with the specific firm considered to be the most qualified consultant or consultant team.

Staff will then attempt to negotiate a final Scope of Work for the project with that firm. The final Scope of Work will include a full description of each task, a description of deliverable products, and a schedule of the due dates for the deliverable products and other important milestones. Upon successful completion of negotiations, the consultants or consultant teams will be recommended to the TAMC Board for final selection and contract approval.

Should the most qualified consultant or consultant team and TAMC fail to successfully negotiate a final scope of work, then TAMC reserves the right to enter negotiations with the next most qualified candidate for performance of the work.

Further, the Agency may, or may not, also negotiate contract terms with selected proposers prior to award, and expressly reserves the right to negotiate with several proposers simultaneously and, thereafter, to award a contract to the proposer offering the most favorable terms to the Agency. Proposals submitted, therefore, should contain the proposers' most favorable terms and conditions, because the selection and award may be made without further discussion with any proposer. The Agency will submit the proposal considered to be the most responsive and competitive to the Board of Directors for consideration and selection. The Agency reserves the right to accept or reject any and all submitted proposals, to waive minor irregularities, and to request additional information or revisions to offers, and to negotiate with any or all proposers at any stage of the evaluation.

The evaluations will be based upon the following criteria:

1	<p><u>Firm Profile & Project Team:</u> Do the qualifications of key personnel to be assigned to the project coincide with tasks listed in the Scope of Work? Do assigned personnel and sub-consultants have requisite education, experience, and professional qualifications? Does the firm's organizational structure show sufficient depth for its present workload, and do assigned personnel have sufficient availability for project? Does the firm accept the contract terms as proposed?</p>	20 points
2	<p><u>Relevant Project Experience:</u> Has the firm demonstrated the ability to successfully provide services for projects of a similar complexity and nature as described herein? Is the firm familiar with transportation in the Monterey Bay Area? Do they conduct bilingual education and encouragement programming?</p>	20 points
3	<p><u>Specific Approach:</u> How will the firm, specifically the key personnel assigned to the project, apply its techniques and resources to ensure the project is properly completed? How will key personnel approach problems when they arise? Has the firm described its ability to achieve specified project delivery goals? Has the firm considered alternative concepts to achieve the desired goals?</p>	50 points
4	<p><u>References:</u> Are the firm's references from past clients and associates favorable? Does the firm show financial and operational stability?</p>	5 points

SCOPE OF WORK & BUDGET

Safe Routes to School Education & Encouragement

PROJECT DESCRIPTION:

Purpose:

Safe routes to school education should be comprehensive and reach students, guardians, school staff and neighborhood residents surrounding schools, and address issues of safety, traffic, and health. Safe routes to school education and encouragement are particularly powerful and transformative when they are started from a young age and reinforced at home, school and in the community.

In February 2018, the TAMC Board adopted the Measure X Safe Routes to School Guidelines, which set goals for safe routes to school in Monterey County. The Measure X Safe Routes to School program is aimed at developing safe, healthy, and affordable transportation options for children, educating children and the community how to safely walk, bicycle and carpool, and encouraging children to use active transportation that will lead to a healthier lifestyle.

Goals:

APPROVED BY THE TAMC BOARD ON: [REDACTED]**

This is an agreement between the Transportation Agency for Monterey County, hereinafter called "TAMC," and [Consultant's Name], a [indicate legal status of entity, e.g., a California corporation, an individual dba . . ., a California partnership], [Consultant's address], hereinafter called "Consultant".

The parties agree as follows:

1. Term of Agreement. The term of this Agreement shall begin upon [START DATE], contingent upon approval by the TAMC Board, and Consultant shall commence work only after a Notice to Proceed has been issued by TAMC's Project Manager specified in Paragraph 35. Unless earlier terminated as provided herein, this Agreement shall remain in force until **DECEMBER 31, 2030**. Consultant acknowledges that this Agreement is not binding until it is fully executed and approved by TAMC.
2. Payments to Consultant; maximum liability. Subject to the limitations set forth herein, TAMC shall pay to Consultant the amounts provided in Exhibit B: Budget, upon receipt and acceptance of deliverables listed therein. Each payment by TAMC shall be for a specific deliverable or services outlined in Exhibit A: Scope of Work and Schedule. The maximum amount payable to the Consultant under this Agreement is set forth in Exhibit B: Budget and shall not exceed the amount of [REDACTED] Dollars (\$XXXX). If there is any conflict between the terms of this Agreement and the terms of either Exhibit A (Scope of Work and Schedule) or Exhibit B (Budget), the terms of this Agreement shall prevail. TAMC does not guarantee any minimum amount of dollars to be spent under this Agreement.
3. Employment of Consultant. TAMC hereby engages Consultant and Consultant hereby agrees to perform the services set forth in Exhibit A: Scope of Work and Schedule, in conformity with the terms of this Agreement. Consultant will complete all work in accordance with the work schedule set forth in Exhibit A: Scope of Work and Schedule.

(a) The project title for this work is as follows:

SAFE ROUTES TO SCHOOL EDUCATION & ENCOURAGEMENT

- (b) Consultant represents that Consultant and its agents, subconsultants and employees performing work hereunder are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required by this Agreement.
 - (c) Consultant, its agents, subconsultants, and employees, shall perform all work in a safe, skillful, and professional manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements. Consultant shall ensure for itself and for any subconsultants under this Agreement that the applicable requirements of Labor Code Section 1725.5, concerning the registration of contractors for public works, shall be in force and maintained for the term of this Agreement.
 - (d) Consultant shall furnish, at its own expense, all materials and equipment necessary to carry out the terms of this Agreement, except as otherwise provided herein. Consultant shall not use TAMC premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations hereunder.
 - (e) Consultant's project manager shall be specified in Exhibit A. If Consultant desires to change the project manager, Consultant shall get written approval from the TAMC Executive Director of the new project manager.
 - (f) Consultant shall submit progress reports at least once a month. The report should be sufficiently detailed for the TAMC Project Manager: to determine if Consultant is performing to expectations and if the work is on schedule; to communicate interim findings, and to sufficiently address any difficulties or special problems encountered, so remedies can be developed.
 - (g) Consultant's Project Manager shall meet with TAMC's Project Manager, as needed, to discuss progress on the contract.
4. Payment Provisions and Allowable Costs:
- (a) The following Standard Payment Provisions apply to all contracts, regardless of the Method of Payment specified in Paragraph (b):

- i. No payment will be made prior to approval of any work, nor for any work performed prior to approval of this Agreement.
- ii. Reimbursement for travel costs, if eligible under the Method of Payment as specified below, shall not exceed the Short-Term Travel Lodging Rates and Requirements listed on the Caltrans website, according to the Code of Regulations (CCR), Administrative Code, Title 2.
- iii. When milestone or task-by-task cost estimates are included in the Budget, Consultant shall seek approval from the TAMC Project Manager prior to any adjustment to compensation across work tasks. If TAMC determines that a change to the Scope of Work and Schedule is required, such changes shall be approved and documented in writing by the TAMC Project Manager.
- iv. Progress payments will be made monthly in arrears based on services provided and allowable incurred costs. If Consultant fails to submit the required deliverable items according to the schedule set forth in Exhibit A: Scope of Work and Schedule (or task order, as applicable), TAMC shall have the right to delay payment or terminate this Agreement in accordance with the provisions of Paragraph 6, Termination.
- v. Invoices shall be mailed to TAMC's Finance Officer, specified in Paragraph 35, at the address contained in Paragraph 36 (Notices). Invoices shall be submitted no later than 45 calendar days after the performance of work for which Consultant is billing. Invoices shall detail the work performed on each milestone or task. Invoices shall follow the format stipulated in Exhibit B: Budget and the Invoice Cover Sheet Format attached hereto as Exhibit C and shall reference this Agreement's project title as specified in Section 3, and the Task Order title, if applicable. Consultant will be reimbursed as promptly as fiscal procedures will permit, upon receipt by TAMC's Finance Officer of itemized invoices.
- vi. The final invoice must contain the final cost and all credits due TAMC including any equipment purchased under the provisions of Paragraph 27 (Equipment Purchase) of this Agreement and shall be submitted within 60 calendar days after completion of Consultant's work under this agreement, or a given Task Order, as applicable.
- vii. No additional compensation will be paid to Consultant unless there is a change in the scope of the work. Changes in the scope of work that do not

increase compensation may be approved by the TAMC Project Manager. Changes in the scope of work that would increase compensation must be authorized by an amendment to this Agreement approved by the TAMC Board of Directors.

- viii. Salary increases will be reimbursable only for Actual Cost Plus Fixed Fee or Rates of Compensation contracts and only if the increase is specified in Exhibit B: Budget. For personnel subject to prevailing wage rates as described in the California Labor Code, all salary increases, which are the direct result of changes in the prevailing wage rates are reimbursable.
- ix. The total amount payable by TAMC resulting from this Agreement shall not exceed the amount specified in Section 2 of this Agreement.
- x. All subcontracts in excess of \$25,000 shall contain the above provisions.

(b) Method of Payment: The method of payment for this Agreement will be based on: [Select One, Line Out Methods Not Used and paragraphs below related to non-utilized payment methods] Actual Cost Plus a Fixed Fee; Lump Sum; Rates of Compensation.

[Actual Cost Plus a Fixed Fee provisions:]

- i. TAMC will reimburse Consultant for actual costs (including labor costs, employee benefits, travel, equipment rental costs, overhead and other direct costs) incurred by Consultant in performance of the work. Consultant will not be reimbursed for actual costs that exceed the estimated wage rates, employee benefits, equipment rental, overhead, and other estimated costs set forth in Exhibit B: Budget.
- ii. In no event, will Consultant be reimbursed for overhead costs at a rate that exceeds the approved overhead rate set forth in Exhibit B.

[Lump Sum provisions:]

- i. The total lump sum price paid to Consultant will include compensation for all work and deliverables, including any travel and equipment described in

Exhibit A: Scope of Work for this Agreement. No additional compensation shall be paid, unless a change of Scope of Work is authorized by an amendment approved by the TAMC Board of Directors pursuant to Paragraph 4(a), above.

- ii. Progress payments will be made upon completion of deliverables and acceptance by the TAMC Project Manager, as specified in Exhibit B: Budget, and Paragraph 4(a), above.

[Rates of Compensation provisions:]

These rates are not adjustable for the performance period set forth in this Agreement beyond that specified in Exhibit B.
- ii. In addition, Consultant will be reimbursed for incurred (actual) direct costs other than salary costs that are in Exhibit B: Budget.

5. Retention of Funds.

- (a) **[Select One of these Three Retention Provisions- delete the others]:**

No Retainage by TAMC or Consultant: No retainage will be withheld by TAMC from progress payments due Consultant. Retainage by Consultant or subconsultants is prohibited, and no retainage will be held by Consultant from progress due subconsultants. Any violation of this provision shall subject the violating Consultant or subconsultants to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business and Professions Code and Section 3321 of the CCC. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to Consultant or subconsultant in the event of a dispute involving late payment or nonpayment by Consultant or deficient subconsultant performance, or noncompliance by a subconsultant. This provision applies to both Disadvantaged Business Enterprise (DBE) and non-DBE consultants and subconsultants.

[- OR -]

No Retainage by TAMC; Retainage by Prime Consultant: No retainage will be withheld by TAMC from progress payments due Consultant. Any retainage held by

Consultant from progress payments due subconsultants shall be promptly paid in full to subconsultants within fifteen (15) days after the subconsultant's work is satisfactorily completed. Federal law (49 CFR 26.29) requires that any delay or postponement of payment over fifteen (15) days may take place only for good cause and with TAMC's prior written approval. Any violation of this provision shall subject the violating Consultant or subconsultant to the penalties, sanctions and other remedies specified in Section 7108.5 of the Business and Professions Code and Section 3321 of the CCC. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to Consultant or subconsultant in the event of a dispute involving late payment or nonpayment by the prime consultant or deficient subconsultant performance, or noncompliance by a subconsultant. This provision applies to both DBE and non-DBE consultants and subconsultants.

[-- OR --]

Retainage by TAMC: TAMC shall hold an X% retainage from Consultant and shall make prompt and regular incremental acceptances of portions, as determined by TAMC, of the contract work, and pay retainage to Consultant based on these acceptances. Consultant, or subconsultant, shall return all monies withheld in retention from a subconsultant within fifteen (15) days after receiving payment for work satisfactorily completed and accepted, including incremental acceptances of portions of the contract work, by TAMC. Federal law (49 CFR 26.29) requires that any delay or postponement of payment over fifteen (15) days may take place only for good cause and with TAMC's prior written approval. Any violation of this provision shall subject the violating Consultant or subconsultant to the penalties, sanctions and other remedies specified in Section 7108.5 of the Business and Professions Code and Section 3321 of the CCC. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to Consultant or subconsultant in the event of a dispute involving late payment or nonpayment by Consultant or deficient subconsultant performance, or noncompliance by a subconsultant. This provision applies to both DBE and non-DBE consultants and subconsultants.

- (b) Any subcontract entered into as a result of this Agreement shall contain all of the provisions of this section.

6. Termination.

- (a) TAMC reserves the right to terminate this Agreement upon thirty (30) calendar days' written notice to Consultant with the reasons for termination stated in the notice.
- (b) TAMC may also terminate this Agreement at any time for good cause effective immediately upon written notice to Consultant. "Good cause" includes, without limitation, the failure of Consultant to perform the required services at the time and in the manner provided herein, as well as failure to comply with the provisions of Paragraphs 13 and 14, relating to audits, below. Notwithstanding TAMC's right to terminate for good cause effective immediately upon written notice thereof, TAMC shall provide prior notice to Consultant of any ground for termination then being considered, and also provide Consultant with a good faith opportunity to avoid termination, as reasonably determined by TAMC in its absolute discretion. If TAMC terminates this Agreement for good cause, TAMC may be relieved of the payment of any consideration to Consultant, and TAMC may proceed with the work in any manner, which it deems proper. Costs incurred by TAMC thereby shall be deducted from any sum otherwise due Consultant.
- (c) The maximum amount for which TAMC shall be liable if this Agreement is terminated is zero (0) dollars.
- (d) It is also mutually understood between TAMC and Consultant that this Agreement may have been written before ascertaining the availability of funds, or appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays that would occur if the Agreement were executed after that determination was made. This Agreement is valid and enforceable only if sufficient funds are made available to TAMC for the purpose of this Agreement. It is mutually agreed that if sufficient funds are not appropriated, this Agreement may be amended to reflect any reduction in funds. TAMC retains the right to direct Consultant immediately to stop work and to terminate this Agreement for convenience, pursuant to Paragraph 6(a) above, in order to address any reduction of funds.
- (e) Termination of this Agreement shall not terminate Consultant's duty to defend, indemnify and hold harmless TAMC, as provided in Paragraphs 8 and 20.

7. Cost Principles and Administrative Requirements.

- (a) Consultant agrees that the contract Cost Principles and Procedures, 48 Code of Federal Regulations (CFR), Chapter 1, Part 31.000 *et seq.*, Federal Acquisition Regulations System, shall be used to determine the cost allowability of individual items.
- (b) Consultant also agrees to comply with federal procedures in accordance with 2 CFR, Part 200, Uniform Administrative Requirements, Costs Principles and Audit Requirements.
- (c) Any costs for which payment has been made to Consultant under this Agreement that are determined by subsequent audit to be unallowable under 2 CFR Part 200 are subject to repayment by Consultant to TAMC.
- (d) Consultants and subconsultants shall maintain accounting systems related to the work to be performed pursuant to this Agreement that conform to Generally Accepted Accounting Principles (GAAP).
- (e) All subcontracts in excess of \$25,000 shall contain the above provisions.

8. Indemnification.

- (a) To the fullest extent permitted by law, including California Civil Code Sections 2782 and 2782.6, Consultant shall defend (with legal counsel reasonably acceptable to TAMC), indemnify and hold harmless TAMC, its officers, agents, and employees, from and against any and all claims, losses, costs, damages, injuries (including injury to or death of an employee of Consultant or its subconsultants), expenses and liabilities of every kind, nature and description (including incidental and consequential damages, court costs, attorneys' fees, litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation) that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, the negligence, recklessness, or willful misconduct of Consultant, any subconsultant, anyone directly or indirectly employed by them, or anyone that they control (collectively "Liabilities"). Such obligations to defend, hold harmless and indemnify TAMC, its officers, agents, and employees, shall not apply to the extent that such Liabilities are caused in part by the sole negligence, active negligence, or willful misconduct of TAMC, its officers, agents, and employees. To the extent there is an obligation to indemnify under this Paragraph, Consultant shall be responsible for incidental and consequential damages resulting directly or indirectly, in whole or in part, from Consultant's negligence, recklessness, or willful misconduct.

- (b) Notwithstanding any other provision of this Agreement, Consultant's obligation to defend, indemnify and hold harmless TAMC shall survive the termination or expiration of the Agreement for a term to include the applicable statute of limitations related to the Consultant's performance pursuant to the Agreement.

9. Insurance.

- (a) Without limiting Consultant's duty to indemnify as set forth in this Agreement, Consultant shall maintain, at no additional cost to TAMC, throughout the term of this Agreement a policy or policies of insurance with the following coverage and minimum limits of liability [check as applicable]:

- Commercial general liability insurance, including but not limited to premises, personal injury, products, and completed operations, with a combined single limit of One Million Dollars (\$1,000,000) per occurrence.
- Professional liability insurance in the amount of not less than One Million Dollars (\$1,000,000) per claim and Three Million Dollars (\$3,000,000) in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims made" basis rather than an "occurrence" basis, Consultant shall, upon the expiration or termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the surviving term of Consultant's obligation to defend, indemnify and hold harmless TAMC as set for in Paragraph 8.
- Comprehensive automobile insurance covering all motor vehicles, including owned, leased, hired and non-owned vehicles used in providing services under this Agreement, with a combined single limit of not less than One Million Dollars (\$1,000,000) per occurrence.

- (b) All insurance required under this Agreement shall be with a company acceptable to TAMC and authorized by law to transact insurance business in the State of California. Unless otherwise provided in this Agreement, all such insurance shall be written on an occurrence basis; or, if any policy cannot be written on an occurrence basis, such policy shall continue in effect for a period of two years following the date of Consultant's completion of performance hereunder.

- (c) Each policy of insurance required under this Agreement shall provide that TAMC shall be given written notice at least thirty days in advance of any change, cancellation or

non-renewal thereof. Each policy shall provide identical coverage for each subconsultant performing work under this Agreement or be accompanied by a certificate of insurance for each subconsultant showing identical insurance coverage.

(d) Commercial general liability and automobile liability policies shall provide an endorsement naming TAMC, its officers, agents, and employees, as additional insureds and shall further provide that such insurance is primary to any insurance or self-insurance maintained by TAMC, and that no insurance of any additional insured shall be called upon to contribute to a loss covered by Consultant's insurance.

(e) TAMC shall not be responsible for any premiums or assessments on the policy.

10. Workers' Compensation Insurance. If during the performance of this Agreement, Consultant employs one or more employees, then Consultant shall maintain a workers' compensation plan covering all of its employees as required by Labor Code Section 3700, either (a) through workers' compensation insurance issued by an insurance company, with coverage meeting the statutory limits and with a minimum of One Million Dollars (\$1,000,000) per occurrence for employer's liability, or (b) through a plan of self-insurance certified by the State Director of Industrial Relations, with equivalent coverage. If Consultant elects to be self-insured, the certificate of insurance otherwise required by this Agreement shall be replaced with consent to self-insure issued by the State Director of Industrial Relations. The provisions of this paragraph apply to any subconsultant employing one or more employees, and Consultant shall be responsible for all subconsultants' compliance herewith.

11. Safety Provisions.

(a) Consultant shall comply with Division of Occupational Safety and Health (CAL-OSHA) regulations applicable to Consultant regarding necessary safety equipment or procedures. Consultant shall comply with safety instructions issued by TAMC Safety Officer and other TAMC representatives. Consultant personnel shall wear hard hats and safety vests at all times while working on a construction project site.

(b) If applicable to work to be performed by Consultant identified in the Scope of Work (Exhibit A), and pursuant to the authority contained in Section 591 of the Vehicle Code, TAMC has determined that such areas are within the limits of the project and are open to public traffic. Consultant shall comply with all of the requirements set forth in Divisions 11, 12, 13, 14, and 15 of the Vehicle Code. Consultant shall take all reasonably necessary precautions for safe operation of its vehicles and the protection of the traveling public from injury and damage from such vehicles.

- (c) Any subcontract entered into as a result of this Agreement, shall contain all of the provisions of this Section.
- (d) Consultant must have a CAL-OSHA permit(s), as outlined in California Labor Code Sections 6500 and 6705, prior to the initiation of any practices, work, method, operation, or process related to the construction or excavation of trenches which are five feet or deeper.

12. Certificate of Insurance and Taxpayer Identification. Prior to the execution of this Agreement by TAMC, Consultant shall submit a completed federal W-9 form, Request for Taxpayer Identification Number and Certification, and file certificates of insurance with TAMC's Finance Officer evidencing that Consultant has in effect the insurance required by this Agreement. Consultant shall file a new or amended certificate promptly after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify any indemnification provision of this Agreement.

13. Retention of Records/Audit.

- (a) For the purpose of determining compliance with Public Contract Code 10115, et seq. and Title 21, California Code of Regulations, Chapter 21, Section 2500 et seq., when applicable and other matters connected with the performance of the Agreement pursuant to Government Code 8546.7, Consultant, subconsultants, and TAMC shall maintain and make available for inspection all books, documents, papers, accounting records, and other evidence pertaining to the performance of the Agreement, including but not limited to, the costs of administering the Agreement. All parties shall make such materials available at their respective offices at all reasonable times during the Agreement period and for three years from the date of final payment under the Agreement. The state, State Auditor, TAMC, Federal Highway Administration (FHWA), or any duly authorized representative of the Federal Government shall have access to any books, records, and documents of Consultant and its certified public accountants (CPA) work papers that are pertinent to the Agreement and indirect cost rates (ICR) for audit, examinations, excerpts, and transactions, and copies thereof shall be furnished if requested. Documents not delivered to TAMC or prepared by subconsultants or by any other party not subject to this Agreement, shall remain the property of the person or entity that prepared them.

- (b) Subcontracts in excess of \$25,000 shall contain this provision.

14. Audit Review Procedures.

- (a) Any dispute concerning a question of fact arising under an interim or post audit of this Agreement that is not disposed of by agreement, shall be reviewed by TAMC'S Finance Officer.
- (b) Not later than 30 days after issuance of the final audit report, Consultant may request a review by TAMC'S Finance Officer of unresolved audit issues. The request for review will be submitted in writing.
- (c) Neither the pendency of a dispute nor its consideration by TAMC will excuse Consultant from full and timely performance, in accordance with the terms of this Agreement.
- (d) Consultant and subconsultant contracts, including cost proposals and ICR, are subject to audits or reviews such as, but not limited to, a contract audit, an incurred cost audit, an ICR Audit, or a CPA ICR audit work paper review. If selected for audit or review, the contract, cost proposal and ICR and related work papers, if applicable, will be reviewed to verify compliance with 48 CFR, Part 31 and other related laws and regulations. In the instances of a CPA ICR audit work paper review it is Consultant's responsibility to ensure federal, state, or local government officials are allowed full access to the CPA's work papers including making copies as necessary. The contract, cost proposal, and ICR shall be adjusted by Consultant and approved by TAMC project manager to conform to the audit or review recommendations. Consultant agrees that individual terms of costs identified in the audit report shall be incorporated into the Agreement by this reference if directed by TAMC at its sole discretion. Refusal by Consultant to incorporate audit or review recommendations, or to ensure that the federal, state or local governments have access to CPA work papers, will be considered a breach of contract terms and cause for termination of the Agreement and disallowance of prior reimbursed costs.

[An additional AUDIT CLAUSE must be inserted into all contracts of \$3,500,000 or greater; confer with legal counsel for language.]

15. Inspection of Work. Consultant and any subconsultant shall permit TAMC, the State, and the FHWA (if federal participating funds are used in this Agreement) to review and inspect the project activities and files at all reasonable times during the performance period of this Agreement including review and inspection on a daily basis.

16. Confidentiality; Return of Records. Consultant and its officers, employees, agents, and subconsultants shall comply with all federal, State and local laws providing for the

confidentiality of records and other information. Consultant shall not disclose any confidential information received from TAMC or prepared in connection with the performance of this Agreement without the express permission of TAMC. Consultant shall promptly transmit to TAMC all requests for disclosure of any such confidential information. Consultant shall not use any confidential information gained through the performance of this Agreement except for the purpose of carrying out Consultant's obligations hereunder. When this Agreement expires or terminates, Consultant shall return to TAMC all records, which Consultant utilized or received from TAMC to perform services under this Agreement.

17. Amendments and Modifications. No modification or amendment of this Agreement shall be valid unless it is set forth in writing and executed by the parties hereto.

18. Statement of Compliance/Non-Discrimination.

(a) Consultant's signature affixed herein, and dated, shall constitute a certification under penalty of perjury under the laws of the State of California that Consultant has, unless exempt, complied with, the nondiscrimination program requirements of Government Code Section 12990 and Title 2, California Administrative Code, Section 8103.

(b) During the performance of this Agreement, Consultant and its subconsultants shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition (e.g., cancer), age (over 40), marital status, and denial of family care leave. Consultant and subconsultants shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Consultant and subconsultants shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 (a-f) et seq.) and the applicable regulations promulgated there under (California Code of Regulations, Title 2, Section 7285 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. Consultant and its subconsultants shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.

19. Harassment. TAMC maintains a strict policy prohibiting unlawful harassment, including sexual harassment, in any form, including verbal, physical and visual harassment by any employee, supervisor, manager, officer or Board member, or agent of the employer.

Vendors, contractors, and consultants shall not engage in conduct that has an effect of unreasonably interfering with a TAMC employee's work performance or creates an intimidating, hostile or offensive work environment.

20. ADA Access. TAMC is committed to accessibility, including California State Web Content Accessibility Guidelines and Federal law and regulations related to the Americans with Disabilities Act. Consultant shall review and follow TAMC's adopted ADA Best Practices for Documents and Outreach with regard to conducting public outreach, developing outreach materials, and producing public documents and content for TAMC and its website.

21. Independent Contractor. In its performance under this Agreement, Consultant is at all times acting and performing as an independent contractor and not as an employee of TAMC or any of its member jurisdictions. No offer or obligation of employment is intended in any manner, and Consultant shall not become entitled by virtue of this Agreement to receive any form of benefits accorded to employees including without limitation leave time, health insurance, workers' compensation coverage, disability benefits, and retirement contributions. Consultant shall be solely liable for and obligated to pay directly all applicable taxes, including without limitation federal and State income taxes and social security arising out of Consultant's performance of this Agreement. Web Content Accessibility Guidelines

The Web Content Accessibility Guidance (WCAG) was integrated into Section 508 of the American with Disabilities Act in January 2018 as the industry standard in accessibility.

Guidance and Success Criteria from the WCAG are organized into the following four principles:

1. Perceivable
 - Provide text alternatives for non-text content.
 - Provide captions and other alternatives for multimedia.

- Create content that can be presented in different ways, including by assistive technologies, without losing meaning.
 - Make it easier for users to see and hear content.
2. Operable
 - Make all functionality available from a keyboard.
 - Give users enough time to read and use content.
 - Do not use content that causes seizures.
 - Help users navigate and find content.
 3. Understandable
 - Make text readable and understandable.
 - Make content appear and operate in predictable ways
 - Help users avoid and correct mistakes.
 4. Robust
 - Maximize compatibility with current and future user tools

A few key aspects that relate to content to be posted onto the TAMC website include:

- Integrating alternative text for images and maps
 - Using distinguishable colors and design techniques that are comprehensible for the color-blind
