Bicycle and Pedestrian Facilities Advisory Committee

Wednesday, October 7, 2026

****6:00 PM****

MEETING LOCATION

55-B Plaza Circle, Salinas, California 93901
Transportation Agency Conference Room

Members of the public & Committee may join meeting online at:

<https://us02web.zoom.us/j/81221239231?pwd=amyHFG663rBUZ8QD8W4xBag3aY0ka4.1>

Webinar ID: 812 2123 9231

Passcode:191544

OR

Via teleconference at +1 669 900 6833

If you join the meeting by phone and would like to make a public comment on an item, please dial *9 to raise your hand.

Pursuant to Government Code Section 54952.7:

Please find Chapter 9, also known as the Ralph M. Brown Act:

https://leginfo.ca.gov/faces/codes_displayText.xhtml?division=2.&chapter=9.&part=1.&lawCode=GOV&title=5

Please note: If all committee members are present in person, public participation by Zoom is for convenience only and is not required by law. If the Zoom feed is lost for any reason, the meeting may be paused while a fix is attempted, but the meeting may continue at the discretion of the Chair.

Please see all the special meeting instructions at the end of this agenda

Alternative Agenda Format and Auxiliary Aids: If requested, the agenda shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 USC Sec. 12132), and the federal rules and regulations adopted in implementation thereof. Individuals requesting a disability-related modification or accommodation, including auxiliary aids or services, may contact Transportation Agency staff at 831-775-0903. Auxiliary aids or services include wheelchair-accessible facilities, sign language interpreters, Spanish language interpreters, and printed materials in large print, Braille or on disk.

These requests may be made by a person with a disability who requires a modification or

accommodation in order to participate in the public meeting and should be made at least 72 hours before the meeting. All reasonable efforts will be made to accommodate the request.

Formato alternativo de la agenda y recursos auxiliares: Si se solicita, la agenda se pondrá a disposición de las personas con discapacidad en formatos alternativos apropiados, según lo exige la Sección 202 de la Ley de Estadounidenses con Discapacidades de 1990 (42 USC Sec. 12132) y las normas y reglamentos federales adoptados en su aplicación. Las personas que soliciten una modificación o adaptación por discapacidad, incluyendo ayudas o servicios auxiliares, pueden comunicarse con el personal de la Agencia de Transporte al 831-775-0903. Las ayudas o servicios auxiliares incluyen instalaciones accesibles para sillas de ruedas, intérpretes de lengua de señas, intérpretes de español y materiales impresos en letra grande, braille o en disco. Estas solicitudes pueden ser presentadas por una persona con discapacidad que requiera una modificación o adaptación para participar en la reunión pública y deben hacerse al menos 72 horas antes de la reunión. Se hará todo lo posible para atender la solicitud.

1. Quorum Check - Call to Order

Call to order and self-introductions. Committee bylaws specify that quorum shall consist of a majority (8) of the number of voting memberships actually filled at the time (15); the existence of any vacancies shall not be counted for purposes of establishing a quorum.

If you are unable to attend, please contact your alternate. Your courtesy to the other Transportation Agency Committee members to assure a quorum is appreciated.

2. PUBLIC COMMENTS

Any member of the public may address the Committee on any item not on the agenda but within the jurisdiction of the Committee. Under this item, each member of the public is allowed two minutes to address concerns. Comments in items on this agenda may be given when that agenda item is discussed. Persons who wish to address the Committee for public comment or on an item on the agenda are encouraged to submit comments in writing to Maria at maria@tamcmonterey.org by 5:00 pm the Monday before the meeting, and such comments will be distributed to the Board before the meeting.

COMENTARIOS DEL PÚBLICO:

Cualquier miembro del público podrá dirigirse a la Comité sobre cualquier punto no incluido en la agenda, pero que sea de su competencia. En este punto, cada miembro del público tendrá dos minutos para plantear sus inquietudes. Se podrán formular comentarios sobre los puntos de este agenda cuando se discuta dicho punto. Se anima a quienes deseen dirigirse a la Comité para recibir comentarios del público o sobre un punto de la agenda que envíen sus comentarios por escrito a Maria en maria@tamcmonterey.org antes de las 5:00 pm del lunes anterior a la reunión. Dichos comentarios se distribuirán a la Comité antes de la reunión.

3. CONSENT AGENDA

Approve the staff recommendations for items listed below by majority vote with one motion. Any member may pull an item off the Consent Agenda to be moved to the end of the **CONSENT AGENDA** for discussion and action.

- 3.1. **APPROVE** the draft Bicycle and Pedestrian Facilities Advisory Committee Minutes for August 5, 2026.

- Maria Montiel

The draft minutes of the August 5, 2026, Bicycle and Pedestrian Facilities Advisory Committee meeting are attached for review.

- 3.2. **APPROVE** applications for the Active Transportation Support Program to award one training grant, three bike racks, and bike repair tools to Ecology Action.

- Odalys Barajas

Bicycle and Pedestrian Facilities Advisory Committee approval is required for Active Transportation Support Program awards. Ecology Action submitted an application for one League Cycling Instructor (LCI) grant, bike racks, and bike repair tools to support their Bike Safe programs.

4. **RECEIVE** presentation on the King City Sidewalk Art Project.

- Aaron Hernandez

The King City San Antonio and Broadway Path project funded by the Active Transportation Program Cycle 6 grant includes sidewalk art as part of the non-infrastructure component. TAMC is partnering with Sol Treasures and a steering committee of local residents to conduct a community-led sidewalk art project, which aims to develop artwork along safe routes to schools and other youth destinations.

5. **RECEIVE** report on upcoming engagement activities for Fall 2026.

- Aaron Hernandez

The Transportation Agency has numerous engagement activities occurring throughout the month of October and into fall around Monterey County. Outreach involves the Active Transportation Plan Update, the Safe Streets Together Safety Campaign, Safe Routes to School, and more. Staff encourages Bicycle & Pedestrian Facilities Advisory Committee members to spread the word and attend events happening near them.

6. **ANNOUNCEMENTS and/or COMMENTS**

7. **ADJOURN**

ANNOUNCEMENTS

Next Committee meeting will be held at
Wednesday, November 4, 2026, at 6:00 P.M.
55-B Plaza Circle, Salinas, California 93901
Transportation Agency Conference Room

There will be a zoom link for hybrid participation.

If you have any items for the next agenda, please submit them to:
Aaron Hernandez, Bicycle and Pedestrian Facilities Advisory Committee Coordinator
Aaron@tamcmonterey.org

Documents relating to an item on the open session that are distributed to the Committee less than 72 hours prior to the meeting shall be available for public inspection at the office of the Transportation Agency for Monterey County, 55-B Plaza Circle, Salinas, CA. Documents distributed to the Committee at the meeting by staff will be available at the meeting; documents distributed to the Committee by members of the public shall be made available after the meeting.

Transportation Agency for Monterey County

www.tamcmonterey.org

55B Plaza Circle, Salinas, CA 93901

TEL: 831-775-0903

EMAIL: info@tamcmonterey.org

The Committee Agenda will be prepared by Agency staff and will close at noon five (5) working days before the regular meeting. Any member may request in writing an item to appear on the agenda. The request shall be made by the agenda deadline and any supporting papers must be furnished by that time or be readily available. If requested, the agenda shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 USC Sec. 12132), and the federal rules and regulations adopted in implementation thereof. Individuals requesting a disability-related modification or accommodation, including auxiliary aids or services, may contact the Transportation Agency at 831-775-0903. Auxiliary aids or services include wheelchair accessible facilities, sign language interpreters, Spanish Language interpreters and printed materials, and printed materials in large print, Braille or on disk. These requests may be made by a person with a disability who requires a modification or accommodation in order to participate in the public meeting, and should be made at least 72 hours before the meeting. All reasonable efforts will be made to accommodate the request.

Memorandum

To: Bicycle and Pedestrian Facilities Advisory Committee
From: Maria Montiel, Administrative Assistant
Meeting Date: October 7, 2026
Subject: **Draft BPC Minutes**

RECOMMENDED ACTION:

APPROVE the draft Bicycle and Pedestrian Facilities Advisory Committee Minutes for August 5, 2026.

SUMMARY:

The draft minutes of the August 5, 2026, Bicycle and Pedestrian Facilities Advisory Committee meeting are attached for review.

Nathalie Gomez	District 3 Alternate	Scott Mace	Public

- Chair Novo called the meeting to order at 6:00 p.m. A quorum was established, and Maria Montiel took roll call.

2. PUBLIC COMMENTS

Hans Hoffman Jr noted that City of Sand City lacks connectivity to the City of Pacific Grove.

Scott Mace expressed concern about reporting on the fatality of a bicyclist on 17-mile drive.

3. BEGINNING OF CONSENT AGENDA

M/S/C Eagerton /David /unanimous

Abstained: Jeff Wriedt

3.1 Approved minutes of the Bicycle and Pedestrian Facilities Advisory Committee meeting of June 3, 2026.

END OF CONSENT AGENDA

4. 2026 COMPETITIVE GRANTS PROGRAM OF PROJECTS

**M/S/
C** Wriedt / Eagerton / unanimous

Committee Member Wriedt motioned to approve the \$15.8 million of Regional Surface Transportation Program funds for the 2026 Competitive Grants Program of Projects and the motion was seconded by Committee Member Eagerton.

Janneke Strause, Senior Transportation Planner, reported that Agency staff established an ad hoc committee of members of the Bicycle & Pedestrian Facilities Advisory Committee, Technical Advisory Committee, and Agency staff to review and rank the applications and provide funding recommendations. The following projects are recommended by Agency staff for funding in ranked order:

- City of Monterey - The North Fremont Gap Closure Project - \$2,862,000
- City of Gonzales - Gonzales Citywide Multimodal Improvement Project - \$3,219,773
- City of Seaside - Coe Avenue and General Jim Moore Boulevard and Seaside MS Intersection
- Improvements - \$2,231,000
- County of Monterey - Prunedale Roundabout Project - \$2,868,546
- City of Pacific Grove - Walkway, Sunset Drive - \$200,000
- Monterey-Salinas Transit (MST) - High-Capacity Bus Replacement Project - \$1,634,103

Ms. Strause noted that the Transportation Agency received four complete quick-build project applications totaling \$2,408,532 in requested Regional Surface Transportation Program grant funding. No pilot project applications were submitted. Staff recommends funding all the applications requesting quick-build grant funds. She noted that the following projects are recommended by Agency staff for grant funding in ranked order:

- City of Gonzales - Gonzales Quick-Build Project - \$187,000
- County of Monterey - San Juan Road Improvement Project - \$870,000
- City of Soledad - Citywide Ped and Signal Upgrade Project - \$965,000
- Count of Monterey - Moss Landing Road Pedestrian Path - \$386,532

5. WAYFINDING SIGN SOCIAL MEDIA CAMPAIGN

The Committee received a presentation on the Wayfinding Signage Social Media Campaign.

Nathalie Gomez, Transportation Planning Intern, reported that Agency has completed construction of wayfinding signage, and staff has been conducting a social media campaign to promote the wayfinding routes. She noted that the locations for the wayfinding signs were identified through the Regional Bicycle and Pedestrian Wayfinding Plan and coordinated with local jurisdictions to maximize connectivity along existing and planned bicycle and pedestrian facilities. Ms. Gomez noted that routes were selected based on their ability to connect major destinations and close network gaps.

She noted that the social media campaign highlighted the new signage, showcased featured routes and landmarks, and encouraged community participation through the hashtag #FindYourWayMRY. Ms. Gomez mentioned that the social media campaign went from May through June, however staff continue to gather photos to help promote the campaign. The campaign materials included graphics, reels (short videos), and educational posts shared through TAMC's social media platforms, @tamcmonterey.

6. ANNOUNCEMENTS AND/OR COMMENTS

Janneke Strause, Senior Transportation Planner, thanked Eric Petersen for his 25 years of service on the Bicycle and Pedestrian Facilities Advisory Committee (BPC) and for his many years of outstanding service and on helping improve the bicycle safety in the Monterey County community on behalf of the Transportation Agency

Committee member Natalie Flores reported that Monterey-Salinas Transit (MST) is currently conducting the Alisal Rapid Bus and Salinas Transit Center Relocation Study. The project team will host a virtual and in-person community meeting in August.

7. ADJOURNMENT

Chair Novo adjourned the meeting at 6:51 p.m.

Memorandum

To: Bicycle and Pedestrian Facilities Advisory Committee
From: Odalys Barajas, Transportation Planner
Meeting Date: October 7, 2026
Subject: **Active Transportation Support Program Application**

RECOMMENDED ACTION:

APPROVE applications for the Active Transportation Support Program to award one training grant, three bike racks, and bike repair tools to Ecology Action.

SUMMARY:

Bicycle and Pedestrian Facilities Advisory Committee approval is required for Active Transportation Support Program awards. Ecology Action submitted an application for one League Cycling Instructor (LCI) grant, bike racks, and bike repair tools to support their Bike Safe programs.

FINANCIAL IMPACT:

The fiscal year (FY) 2026/27 Active Transportation Support Program budget is \$30,000, with no expenditures to date. Approval of this application would reimburse Ecology Action \$550 for one League Cycling Instruction training. Registration for the training was paid on July 20, 2026, for a course originally scheduled on August 28 2026, but later rescheduled to January 8, 2027. Reimbursement will be provided upon submission of documentation showing successful completion of the training. Additionally, the application includes bike materials, such as bike racks and bike repair tools, with an estimated total cost of \$3,698.82, including taxes, shipping, and fees. Following these expenditures, the remaining ATSP budget balance would be \$26,301.16.

DISCUSSION:

TAMC administers the Active Transportation Support Program (ATSP), which helps private businesses, local jurisdictions, nonprofit organizations, school districts, and other public agencies in Monterey County acquire active transportation resources and equipment for their employees, clients, and students.

Ecology Action is a partner agency of TAMC that provides active transportation education programs throughout Monterey County. The bicycle-related materials requested through the ATSP application will directly support its bicycle safety programs. TAMC staff recommends approval of all requested materials, including the free-standing bicycle racks, as facility restrictions prevent Ecology Action from installing a wall or pavement mounted rack. Staff also recommends approval of one League Cycling Instructor training grant to support professional development through a nationally recognized training, and strengthen the delivery of bicycle safety education programs in Monterey County.

The award advances program goals, increasing the availability of active transportation amenities across Monterey County, ensuring their equitable distribution, and encouraging bicycling through conveniently located facilities.

The application is attached as a web attachment.

Memorandum

To: Bicycle and Pedestrian Facilities Advisory Committee
From: Aaron Hernandez, Associate Transportation Planner
Meeting Date: October 7, 2026
Subject: King City Sidewalk Art Project

RECOMMENDED ACTION:

RECEIVE presentation on the King City Sidewalk Art Project.

SUMMARY:

The King City San Antonio and Broadway Path project funded by the Active Transportation Program Cycle 6 grant includes sidewalk art as part of the non-infrastructure component. TAMC is partnering with Sol Treasures and a steering committee of local residents to conduct a community-led sidewalk art project, which aims to develop artwork along safe routes to schools and other youth destinations.

FINANCIAL IMPACT:

TAMC has a five-year contract with Sol Treasures, an art collaborative in King City, to provide steering committee facilitation and art installation services for \$215,000. This contract is funded by \$153,180 in Active Transportation Program Cycle 6 funds, matched with \$61,820 in Measure X Safe Routes to School funding, included in the Agency's 2026-27 budget.

DISCUSSION:

TAMC provides Safe Routes to School programming to teach and encourage Monterey County kids to safely carpool, walk, bike, skateboard, and scoot to school. One way to increase the visibility of safe routes to schools programming and create more enjoyable walking routes is through public artwork.

TAMC partnered with the City of King to secure \$14.5 million in Active Transportation Program grant funding for the King City San Antonio Path & Safe Routes to School project. Of that award, \$11 million is dedicated to making pedestrian and bicycle improvements on San Antonio Dr, Broadway St, and Mildred Ave; \$3.5 million is dedicated to non-infrastructure programming led by TAMC. TAMC is conducting a safety campaign, walking school buses, a Ciclovía event, educational programming, and installation of sidewalk art marking safe routes between schools and public amenities in King City. TAMC is partnering with Sol Treasures to form a steering committee made up of community members to lead the project and help ensure that participation comes from the local community.

The Steering Committee met eight times between February and June 2026 to develop a Call for Art (**web attachment 1**) that provides information on eligibility, scoring criteria, and prize amounts. The committee opened the Call for Art to include artists of all ages and skill level to capture a wide range of art. The Call for Art was released on March 5, 2026 with submissions due by April 16, 2026. The committee received a total of 149 submissions -100 of the submissions were from King City and San Ardo elementary schools.

The next step for the committee was to score submissions to select artwork for the community election. The committee selected the art for the ballot (**web attachment 2**) based on originality, color vibrancy, and if it met one of the following themes: interactive, ancestral-memorial, and inspiring. Once the ballot was finalized, the committee launched an election campaign for the community to vote on their favorite artwork over two weeks. A total of 712 ballots were cast, with 565 from elementary schools, 95 submitted online, and 52 from ballot locations and via additional outreach conducted by the committee.

The sidewalk art election results helped the committee determine the final artwork for installation. Based on the election results, Sol Treasures proceeded to install seven extra-large professional sidewalk murals around King City. Installation of the extra-large sidewalk murals is expected to be completed by early October. A community art walk is being planned for Thursday, October 15 at 5 pm starting outside the King City Recreation department, where community members are invited to walk 2.4 miles around King City to visit and learn about each art piece. TAMC staff cordially invites Bicycle and Pedestrian Facilities Advisory Committee members to participate in this event.

The next step is to install the smaller artwork in spring 2027. TAMC has partnered with fellows from the Middlebury Institute of International Studies at Monterey (MIIS) to develop art packets that will contain artist information and activity sheets that can be used in school curriculum for teachers and students.

Memorandum

To: Bicycle and Pedestrian Facilities Advisory Committee
From: Aaron Hernandez, Associate Transportation Planner
Meeting Date: October 7, 2026
Subject: Fall 2026 Engagement Activities

RECOMMENDED ACTION:

RECEIVE report on upcoming engagement activities for Fall 2026.

SUMMARY:

The Transportation Agency has numerous engagement activities occurring throughout the month of October and into fall around Monterey County. Outreach involves the Active Transportation Plan Update, the Safe Streets Together Safety Campaign, Safe Routes to School, and more. Staff encourages Bicycle & Pedestrian Facilities Advisory Committee members to spread the word and attend events happening near them.

FINANCIAL IMPACT:

The planned engagement activities utilize various state grants and Measure X work to cover expenses for staff time and outreach materials.

DISCUSSION:

Transportation Agency staff have been preparing for a wide range of engagement activities that will occur throughout the months of October, November, and into early December. **Attached** to this report is a table of all upcoming engagement events organized by date, name of event, jurisdiction location, project related to event, and associated fund sources.

The Safe Routes to School Program normally has programming scheduled in October such as Walk & Roll to School Day events and Ciclovía, but activities for this fall will also involve a community art walk to celebrate the completion of extra-large art murals for the King City Sidewalk Art Project. The Safe Streets Together Monterey County Safety Campaign is continuing engagement in King City and San Ardo with King City launching its safety campaign at Ciclovía King City. The Active Transportation Plan Update will be undergoing its second round of outreach at each of the 12 Monterey County jurisdictions and at two unincorporated communities, Castroville and San Ardo. In the second half of October and into November, the Active Transportation Plan Update will also kick off its focus groups. Finally, engagement in North Monterey County is planned for the Pajaro-Watsonville Multimodal Station project and the Highway 1 Elkhorn Slough Corridor Climate Resiliency Project.

Bicycle & Pedestrian Facilities Advisory Committee members are strongly encouraged to get involved in the upcoming engagement activities and share these opportunities with their respective jurisdictions. For Active Transportation Plan engagement activities that do not have a confirmed date on the attached table, a live list of updates can be followed on the [Active Transportation Plan Update](#)

[Project Webpage](#) (**web attachment**). Upcoming activities for Safe Routes to School and Safe Street Together Campaigns will be posted on the agency's social media outlets. Updates on all other engagement for other listed projects can be found on the agency's website under their respective project pages.
