

**Transportation Agency for Monterey County
2019 Monterey County Unmet Transit Needs**

Unmet transit needs are placed into the following categories:

1. Transit service improvement requests that would improve an existing service.
2. Transit service expansion requests that extend a transit route beyond its current limits and fill a gap in service.
3. Capital improvement projects that would enhance existing public transit facilities.

Transit Needs Timeline

- **Short term transit improvements** are those that can be implemented in the current service year within MST’s funding limits and without negatively impacting existing services.
- **Long-term transit improvements** are those that would require additional funding beyond MST’s current funding limits. Long-term improvement comments remain on the unmet transit needs comment list until additional funding becomes available.

| Unmet Need Comment | Year Identified | Category | Timeline | Status in 2019 |
|--|------------------------|---|------------------------|--|
| Service to San Juan Grade Road and Russell Road in Salinas | 2014 | Category #2: new service, fills a gap | Long-term improvement. | Identified as an unmet need establishing new or expanding service. MST is currently working with the City of Salinas and area developers to identify possible public transit service into the planned developments in this area in the next 5 to 10 years. |
| Increased frequency on Line 18 | 2014 | Category #1: improves an existing service | Long-term improvement. | Service will require an additional vehicle and driver which cannot be provided at this time without reallocating resources from other areas. |

| <p>CSUMB enhanced paratransit service on campus; more accessible vehicles are needed for student mobility on-campus</p> | <p>2015/2016</p> | <p>Not yet resolved, however MST and CSUMB continue to discuss ways to address this need.</p> | <p>Federal ADA requirements and operational constraints of the RIDES service make it challenging for MST to provide this type of paratransit service as CSUMB students have a very narrow window of time to get from one class to another. A CSUMB student shuttle service may be the way to meet this need.</p> |
| <p>Improved service between South County and the Superior Court of California, County of Monterey in Monterey</p> | <p>2017</p> | <p>2019</p> | <p>MST conducted a Salinas Valley Transit Planning Study to identify transit improvements along the US 101 corridor. MST currently provides service and a connection can be made via Line 14 and Line 70. A new courthouse located in Greenfield is currently being proposed.</p> |
