

## **CHRISTINA WATSON**

---

Christina Watson is a Principal Transportation Planner at the Transportation Agency for Monterey County, where she has worked since 2001. Her current responsibilities at the Agency include managing the Monterey County Rail Extension project and acting as the staff legislative liaison on state and federal legislative issues. Christina is active with the WTS San Francisco Chapter as the Monterey Bay Programs chair, for which she was recognized in 2016 as “member of the year”. She holds a Master of Science in Transportation Management degree from the Mineta Transportation Institute and a Master of Arts in International Environmental Policy from the Monterey Institute of International Studies. Prior to joining the agency, Christina worked on global climate change policy issues through a Robert Bosch Foundation Fellowship in Germany. She is a 2009 graduate of the Leadership Monterey Peninsula program. She is also a volunteer guide at the Monterey Bay Aquarium and has studied German, Russian, and Spanish.
