RECONVENED IN OPEN SESSION: Chair Parker reported that there was nothing to report.

5. SR 156 PUBLIC-PRIVATE PARTNERSHIP GUIDING PRINCIPLES

M/S/C Salinas/Sollecito/unanimous

The Board moved to continue this item to a future date, per the request of Todd Muck, Deputy Executive Director.

6. HOLMAN HIGHWAY 68 ROUNDABOUT

The Board received an update on the Holman Highway 68 Roundabout project and viewed the project video.

Ariana Green, Transportation Planner, reported that the Holman Highway 68 Roundabout will relieve congestion at the busy intersection of Holman Highway 68 and 17 Mile Drive near the entrance to Pebble Beach and the Community Hospital. This project is the result of a collaborative effort and a public-private partnership between the City of Monterey, Pebble Beach Company, Monterey Bay Unified Air Pollution Control District, County of Monterey and the Transportation Agency. The Transportation Agency is contributing \$3.35 million of the \$8 million construction cost to the project from Regional Surface Transportation Program and Regional Development Impact Fee revenues.

Board representative Craig asked if the intersection will still experience congestion during special events. Rich Deal, City of Monterey, the engineering project manager, replied that this is a challenging intersection, and there will still be some congestion during special Pebble Beach events, though it will be much less than what is experienced now.

Board alternate Gowin asked at what point the roundabout design will fail. Mr. Deal noted that the roundabout is designed to meet traffic demand for the next 20 years. Board member Rubio expressed concerns with out of town traffic knowing how to use the roundabout on event weekends into Pebble Beach. Mr. Deal replied that the current signal has already failed and that the queue will be much smaller than currently exists. He added that event traffic will continue to be an issue and that there needs to be good traffic control during events, noting that the roundabout design will make it easier to control traffic. Board member Hurley asked about how the project accommodates bicycle and pedestrian traffic; Mr. Deal noted that the ultimate project concept will include a new path for bicyclists

and pedestrians, but that phase of the project will not take place until the bridge over Highway 1 is widened.

7. **UPDATE ON US 101 CORRIDOR CONSTRUCTION PROJECTS**

The Board received an update on the status of the US 101 Corridor Construction Projects: the Prunedale Improvement Project and the San Juan Road Project.

Grant Leonard, Assistant Transportation Planner, reported that construction of the US 101 Prunedale Improvement Project began in the spring of 2011, and is expected to be completed by October 2014. In December 2012, Caltrans began construction on the San Juan Road Interchange Project. A partial opening of the new San Juan Road Interchange is scheduled for October 2014, with project completion by spring of 2015. He noted that these projects will provide safer access, eliminating dangerous turns. Mr. Leonard announced the PIP Ribbon Cutting Ceremony will be on October 27, 2014, at 11:30 a.m. Director Hale noted the key goal of the projects is and always was safety.

Public comment:

Vee Thomas, 101 Bypass Committee, expressed her thanks to everyone, noting she cannot believe how beautiful the road is.

Dell Matt, 101 Bypass Committee, commented this is a bitter sweet moment, that there are no words to express her thanks.

Chris Orman, North County Fire Department, expressed his thanks on behalf of public safety, noting this is a better place to live because of these safety projects.

8. **REPORTS ON MEETINGS ATTENDED BY BOARD MEMBERS AT TRANSPORTATION AGENCY EXPENSE, AS REQUIRED BY STATE LAW**

None this month.

9. **REPORTS FROM TRANSPORTATION PROVIDERS**

Caltrans – Aileen Loe reported that she looks forward to the PIP Ribbon Cutting Ceremony on October 27, 2014, at 11:30 a.m. She noted that Caltrans’ new mission is “to provide a safe, sustainable, integrated and efficient transportation system to enhance California’s economy and livability”. Ms. Loe noted that Caltrans recently announced five new goals, noting one of them is to provide a safe transportation system for workers and users, and promote health through active transportation and reduced pollution in communities. She also noted that Caltrans has released a new issue of its “*The Mile Marker*” publication, which is available in print and online.

Monterey Regional Airport District – No report this month.

Monterey-Salinas Transit District – Lisa Rheinheimer, Director of Planning and Development, reported that MST will be providing free bus service to the California International Airshow on October 1st and 2nd, from 9:00 a.m. to 4:30 p.m., from Northridge Mall and Cesar Chavez Library.

10. EXECUTIVE DIRECTOR'S REPORT

Executive Director Debbie Hale announced the TAMC office will be closed on October 2, 2014, due to a power outage caused by the replacement of a PG & E power pole and that TAMC staff is taking the opportunity to take a field trip to view the new Bay Bridge span and trail, as well as the Capitol Corridor train. She also announced that the Multi Modal workshops would be held on October 15, 2014 at Hartnell College, Salinas; and October 16, 2014, Shoreline Center, Marina, both from 6 – 8 p.m. In conclusion, Director Hale highlighted the letters on the dais “Letter to Timothy Gubbins, Caltrans District 5, regarding SR 156 Near Term Safety Improvements” and “Letter to Todd Muck, Deputy Executive Director, from Senator Barbara Boxer” thanking him for making her visit to the Highway 101/San Juan Road interchange project such a success.

11. ANNOUNCEMENTS AND/OR COMMENTS FROM TRANSPORTATION AGENCY MEMBERS

None this month.

12. ADJOURNMENT

Chair Parker adjourned the meeting at 10:33 a.m.
