BACKGROUND

The Transportation Agency for Monterey County (“TAMC” or the “Agency”) is a state-designated public agency with regional transportation planning responsibilities, including rail planning, that cross city-county boundaries. TAMC is committed to planning, funding and delivering transportation projects for the region. The Agency is also committed to providing information to the public about its projects, plans and activities, ensuring public participation and fostering public understanding of its functions.

TAMC's Board of Directors includes twenty-three members who consist of local officials from each of its twelve incorporated cities and five county supervisorial districts, and ex-officio members from six public agencies. The mission of TAMC is to proactively fund and plan a transportation system that enhances mobility, safety, access, environmental quality and economic activities by investing in regional transportation projects for Monterey County residents, businesses and visitors.

PROJECT DESCRIPTION

This request for proposals will be used by TAMC to select a consultant team to provide real estate right of way acquisition, appraisal, review appraisal, and legal services to assist with the acquisition of parcels owned by Union Pacific Railroad for the Monterey County Rail Extension project.

TAMC has been planning the extension of rail service to Monterey County (the "Monterey County Rail Extension Project") for over a decade. In that time, TAMC has completed a state-required Project Study Report (PSR) and certified an Environmental Impact Report (EIR) and Addendum to comply with the California Environmental Quality Act (CEQA). The planning and environmental documents can be found online here:

<https://www.tamcmonterey.org/rail-extension-supporting-documents>

The Kick Start project is Phase 1 of the overall Monterey County Rail Extension project. The Kick Start Project is focused on improving the existing Salinas train station to accommodate new passenger rail service connecting Salinas to the San Francisco Bay Area, and making track improvements at Gilroy to allow through trains to stop at the Gilroy train station. This Phase 1 is separated into three construction packages:

1. Salinas Station: Lincoln Avenue Extension, circulation, and parking improvements
2. Salinas Layover Facility
3. Gilroy Station & Track Improvements

The potential acquisitions related to this Request for Proposals pertains to Packages 2 and 3. Using state funding, TAMC has performed the planning, due diligence environmental review, and design for the project. The designs for the project are at 75%, developed with the concept of extending Capitol Corridor trains from San Jose. Currently, the project concept is an extension of Caltrain trains from Gilroy. More information on the project can be found here:

TAMC will administer the consultant contract and be the primary contact.

Attachment A is a draft Scope of Work. A final Scope of Work will be made a part of the professional services agreement between TAMC and the consultant. A copy of the standard

TAMC agreement anticipated to be utilized is Attachment B. Any requests to modify the standard contract provisions must be made as part of the request for proposals. A single document will be prepared between the Consultant and TAMC consistent with the provisions of these attachments.

It is important that the consultant have the capability to work closely with Agency staff. The consultant or consultant team must be prepared to undertake whatever liaison and meetings are required to satisfy this requirement.

PROJECT BUDGET

The estimated budget for this work is \$190,500. There is no federal funding on this project.

PROJECT SCHEDULE

This project is anticipated to take approximately two years to complete, starting in December 2021 and being completed by December 2023.

SELECTION PROCESS

TAMC will establish a review committee to review the proposals. This review may be followed by an oral interview between a review committee and the firm(s) that respond(s) best to the RFP. Based on the recommendations of the review committee, TAMC staff will issue a "Notice of Intent to Award" notice to all responders, indicating staff's intent to negotiate with the specific firm considered to be the most qualified consultant or consultant team.

Staff will then attempt to negotiate a final Scope of Work for the project with that firm. The final Scope of Work will include a full description of each task, a description of deliverable products, and a schedule of the due dates for the deliverable products and other important milestones. Upon successful completion of negotiations, the consultants or consultant teams will be recommended to the TAMC Board for final selection and contract approval.

Should the most qualified consultant or consultant team and TAMC fail to successfully negotiate a final scope of work, then TAMC reserves the right to enter negotiations with the next most qualified candidate for performance of the work.

Further, the Agency may, or may not, also negotiate contract terms with selected proposers prior to award, and expressly reserves the right to negotiate with several proposers simultaneously and, thereafter, to award a contract to the proposer offering the most favorable terms to the Agency. Proposals submitted, therefore, should contain the proposers' most favorable terms and conditions, because the selection and award may be made without further discussion with any proposer. The Agency will submit the proposal considered to be the most responsive and competitive to the Board of Directors for consideration and selection. The Agency reserves the right to accept or reject any and all submitted proposals, to waive minor irregularities, and to request additional information or revisions to offers, and to negotiate with any or all proposers at any stage of the evaluation.

The evaluations will be based upon the following criteria:

1	<u>Firm Profile & Project Team:</u> Do the qualifications of key personnel to be assigned to the project coincide with tasks listed in the Scope of Work? Do assigned personnel and sub-consultants have requisite education, experience, and professional qualifications? Such obligations to defend, hold harmless and indemnify TAMC, its officers, agents, and employees, shall not apply to the extent that such Liabilities are caused in part by the sole negligence, active negligence, or willful misconduct of TAMC, its officers, agents, and employees. To the extent there is an obligation to indemnify under this Paragraph, Consultant shall be responsible for incidental and consequential damages resulting directly or indirectly, in whole or in part, from Consultant's negligence, recklessness, or willful misconduct.

- (b) Notwithstanding any other provision of this Agreement, Consultant's obligation to defend, indemnify and hold harmless TAMC shall survive the termination or expiration of the Agreement for a term to include the applicable statute of limitations related to the Consultant's performance pursuant to the Agreement.

9. Insurance.

- (a) Without limiting Consultant's duty to indemnify as set forth in this Agreement, Consultant shall maintain, at no additional cost to TAMC, throughout the term of this Agreement a policy or policies of insurance with the following coverage and minimum limits of liability:

- ✓ Commercial general liability insurance, including but not limited to premises, personal injury, products, and completed operations, with a combined single limit of One Million Dollars (\$1,000,000) per occurrence.
- ✓ Professional liability insurance in the amount of not less than One Million Dollars (\$1,000,000) per claim and Three Million Dollars (\$3,000,000) in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims made" basis rather than an "occurrence" basis, Consultant shall, upon the expiration or termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the surviving term of Consultant's obligation to defend, indemnify and hold harmless TAMC as set for in Paragraph 8.

- ✓ Comprehensive automobile insurance covering all motor vehicles, including owned, leased, hired and non-owned vehicles used in providing services under this Agreement, with a combined single limit of not less than One Million Dollars (\$1,000,000) per occurrence.

- (b) All insurance required under this Agreement shall be with a company acceptable to TAMC and authorized by law to transact insurance business in the State of California. Unless otherwise provided in this Agreement, all such insurance shall be written on an occurrence basis; or, if any policy cannot be written on an occurrence basis, such policy shall continue in effect for a period of two years following the date of Consultant's completion of performance hereunder.
- (c) Each policy of insurance required under this Agreement shall provide that TAMC shall be given written notice at least thirty days in advance of any change, cancellation or non-renewal thereof. Each policy shall provide identical coverage for each subcontractor performing work under this Agreement, or be accompanied by a certificate of insurance for each subcontractor showing identical insurance coverage.
- (d) Commercial general liability and automobile liability policies shall provide an endorsement naming TAMC, its officers, agents, and employees, as additional insureds and shall further provide that such insurance is primary to any insurance or self-insurance maintained by TAMC, and that no insurance of any additional insured shall be called upon to contribute to a loss covered by Consultant's insurance.
- (e) TAMC shall not be responsible for any premiums or assessments on the policy.

10. Workers' Compensation Insurance. If during the performance of this Agreement, Consultant employs one or more employees, then Consultant shall maintain a workers' compensation plan covering all of its employees as required by Labor Code Sec. 3700, either (a) through workers' compensation insurance issued by an insurance company, with coverage meeting the statutory limits and with a minimum of One Million Dollars (\$1,000,000) per occurrence for employer's liability, or (b) through a plan of self-insurance certified by the State Director of Industrial Relations, with equivalent coverage. If Consultant elects to be self-insured, the certificate of insurance otherwise required by this Agreement shall be replaced with consent to self-insure issued by the State Director of Industrial Relations. The provisions of this paragraph apply to any subcontractor employing one or more employees, and Consultant shall be responsible for all subcontractors' compliance herewith.

11. Safety Provisions.

- (a) Consultant shall comply with Division of Occupational Safety and Health (CAL-OSHA) regulations applicable to Consultant regarding necessary safety equipment or procedures. Consultant shall comply with safety instructions issued by TAMC Safety Officer and other TAMC representatives. Consultant personnel shall wear hard hats and safety vests at all times while working on a construction project site.
- (b) If applicable to work to be performed by Consultant identified in the Scope of Work (Exhibit A), and pursuant to the authority contained in Section 591 of the Vehicle Code, TAMC has determined that such areas are within the limits of the project and are open to public traffic. Consultant shall comply with all of the requirements set forth in Divisions 11, 12, 13, 14, and 15 of the Vehicle Code. Consultant shall take all reasonably necessary precautions for safe operation of its vehicles and the protection of the traveling public from injury and damage from such vehicles.
- (c) Any subcontract entered into as a result of this Agreement, shall contain all of the provisions of this Section.
- (d) Consultant must have a CAL-OSHA permit(s), as outlined in California Labor Code Sections 6500 and 6705, prior to the initiation of any practices, work, method, operation, or process related to the construction or excavation of trenches which are five feet or deeper.

12. Certificate of Insurance and Taxpayer Identification. Prior to the execution of this Agreement by TAMC, Consultant shall submit a completed federal W-9 form, Request for Taxpayer Identification Number and Certification, and file certificates of insurance with TAMC's Finance Officer evidencing that Consultant has in effect the insurance required by this Agreement. Consultant shall file a new or amended certificate promptly after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify any indemnification provision of this Agreement.

13. Retention of Records/Audit.

- (a) For the purpose of determining compliance with Public Contract Code 10115, et seq. and Title 21, California Code of Regulations, Chapter 21, Section 2500 et seq., when applicable and other matters connected with the performance of the Agreement pursuant to Government Code 8546.7, Consultant, subconsultants, and TAMC shall maintain and make available for inspection all books, documents, papers, accounting records, and other evidence pertaining to the performance of the Agreement, including but not limited to, the costs of administering the Agreement. All parties shall make such materials available at

their respective offices at all reasonable times during the Agreement period and for three years from the date of final payment under the Agreement. The state, State Auditor, TAMC, Federal Highway Administration (FHWA), or any duly authorized representative of the Federal Government shall have access to any books, records, and documents of Consultant and its certified public accountants (CPA) work papers that are pertinent to the Agreement and indirect cost rates (ICR) for audit, examinations, excerpts, and transactions, and copies thereof shall be furnished if requested.

- (b) Subcontracts in excess of \$25,000 shall contain this provision.

14. Audit Review Procedures.

- (a) Any dispute concerning a question of fact arising under an interim or post audit of this Agreement that is not disposed of by agreement, shall be reviewed by TAMC'S Finance Officer.
- (b) Not later than 30 days after issuance of the final audit report, Consultant may request a review by TAMC'S Finance Officer of unresolved audit issues. The request for review will be submitted in writing.
- (c) Neither the pendency of a dispute nor its consideration by TAMC will excuse Consultant from full and timely performance, in accordance with the terms of this Agreement.
- (d) Consultant and subconsultant contracts, including cost proposals and ICR, are subject to audits or reviews such as, but not limited to, a contract audit, an incurred cost audit, an ICR Audit, or a CPA ICR audit work paper review. If selected for audit or review, the contract, cost proposal and ICR and related work papers, if applicable, will be reviewed to verify compliance with 48 CFR, Part 31 and other related laws and regulations. In the instances of a CPA ICR audit work paper review it is Consultant's responsibility to ensure federal, state, or local government officials are allowed full access to the CPA's work papers including making copies as necessary. The contract, cost proposal, and ICR shall be adjusted by Consultant and approved by TAMC project manager to conform to the audit or review recommendations. Consultant agrees that individual terms of costs identified in the audit report shall be incorporated into the Agreement by this reference if directed by TAMC at its sole discretion. Refusal by Consultant to incorporate audit or review recommendations, or to ensure that the federal, state or local governments have access to CPA work papers, will be considered a breach of contract terms and cause for termination of the Agreement and disallowance of prior reimbursed costs.

15. Inspection of Work. Consultant and any subconsultant shall permit TAMC, the State, and the FHWA (if federal participating funds are used in this Agreement) to review and

inspect the project activities and files at all reasonable times during the performance period of this Agreement including review and inspection on a daily basis.

16. Confidentiality; Return of Records. Consultant and its officers, employees, agents, and subcontractors shall comply with all federal, State and local laws providing for the confidentiality of records and other information. Consultant shall not disclose any confidential information received from TAMC or prepared in connection with the performance of this Agreement without the express permission of TAMC. Consultant shall promptly transmit to TAMC all requests for disclosure of any such confidential information. Consultant shall not use any confidential information gained through the performance of this Agreement except for the purpose of carrying out Consultant's obligations hereunder. When this Agreement expires or terminates, Consultant shall return to TAMC all records, which Consultant utilized or received from TAMC to perform services under this Agreement.

17. Amendments and Modifications. No modification or amendment of this Agreement shall be valid unless it is set forth in writing and executed by the parties hereto.

18. Statement of Compliance/Non-Discrimination.

- (a) Consultant's signature affixed herein, and dated, shall constitute a certification under penalty of perjury under the laws of the State of California that Consultant has, unless exempt, complied with, the nondiscrimination program requirements of Government Code Section 12990 and Title 2, California Administrative Code, Section 8103.
- (b) During the performance of this Agreement, Consultant and its subconsultants shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition (e.g., cancer), age (over 40), marital status, and denial of family care leave. Consultant and subconsultants shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Consultant and subconsultants shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 (a-f) et seq.) and the applicable regulations promulgated there under (California Code of Regulations, Title 2, Section 7285 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. Consultant and its subconsultants shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.

20. ADA Access. TAMC is committed to accessibility, including California State Web Content Accessibility Guidelines and Federal law and regulations related to the Americans with Disabilities Act. Consultant shall review and follow TAMC's adopted ADA Best Practices for Documents and Outreach with regard to conducting public outreach, developing outreach materials, and producing public documents and content for the Agency and its website.
21. Independent Contractor. In its performance under this Agreement, Consultant is at all times acting and performing as an independent contractor and not as an employee of TAMC or any of its member jurisdictions. No offer or obligation of employment is intended in any manner, and Consultant shall not become entitled by virtue of this Agreement to receive any form of benefits accorded to employees including without limitation leave time, health insurance, workers' compensation coverage, disability benefits, and retirement contributions. Consultant shall be solely liable for and obligated to pay directly all applicable taxes, including without limitation federal and State income taxes and social security arising out of Consultant's performance of this Agreement. In connection therewith, Consultant shall defend, indemnify, and hold harmless TAMC from any and all liability, which TAMC may incur because of Consultant's failure to make such payments.
22. Delegation of Duties; Subcontracting.
 - a) Nothing contained in this Agreement or otherwise, shall create any contractual relation between TAMC and any subconsultant(s), and no subcontract shall relieve Consultant of its responsibilities and obligations hereunder. Consultant agrees to be as fully responsible to TAMC for the acts and omissions of its subconsultant(s) and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by Consultant. Consultant's obligation to pay its subconsultant(s) is an independent obligation from TAMC'S obligation to make payments to the Consultant.
 - b) Consultant shall perform the work contemplated with resources available within its own organization and no portion of the work pertinent to this Agreement shall be subcontracted without written authorization by TAMC's Executive Director, except that, which is expressly identified in the approved Budget/Cost Proposal.
 - c) Consultant shall pay its subconsultants within ten (10) calendar days from receipt of each payment made to Consultant by TAMC.

- d) Any subcontract in excess of \$25,000 entered into as a result of this Agreement shall contain all the provisions stipulated in this Agreement to be applicable to subconsultants.
- e) Any substitution of subconsultant(s) must be approved in writing by TAMC's Executive Director prior to the start of work by the subconsultant(s).
- f) Any work performed by a subconsultant shall be done in conformance with this Agreement, and TAMC shall pay Consultant for the work but not for any markup, including subcontract management, supervisions, administrative and other expenses, or reimbursable costs.

23. Ownership of Data.

- a) Upon completion of all work under this Agreement, ownership and title to all reports, documents, plans, specifications, and estimates produce as part of this Agreement will automatically be vested in TAMC; and no further agreement will be necessary to transfer ownership to TAMC. Consultant shall furnish TAMC all necessary copies of data needed to complete the review and approval process.
- b) It is understood and agreed that all calculations, drawings and specifications, whether in hard copy or machine-readable form, are intended for one-time use in the connection with the project for which this Agreement has been entered into.
- c) Consultant is not liable for claims, liabilities, or losses arising out of, or connected with the modification, or misuse by TAMC of the machine-readable information and data provided by Consultant under this Agreement; further, Consultant is not liable for claims, liabilities, or losses arising out of, or connected with any use by TAMC of the project documentation on other projects for additions to this project, or for the completion of this project by others, except only such use as many be authorized in writing by Consultant.
- d) Applicable patent rights provisions regarding rights to inventions shall be included in the Agreements as appropriate (48 CFR 27, Subpart 27.3 - Patent Rights under Government Contracts for federal-aid contracts).
- e) TAMC may permit copywriting reports or other agreement products. If copyrights are permitted, FHWA shall have the royalty-free nonexclusive and irrevocable right to reproduce, publish or otherwise use the data, and may authorize others to use the work for government purposes.
- f) Any subcontract in excess of \$25,000 entered into as a result of this Agreement, shall contain all of the provisions of this Article.

24. Confidentiality of Data.

- a) All financial, statistical, personal, technical, or other data and information relative to TAMC's operations, which are designated confidential by TAMC and made available to Consultant in order to carry out this Agreement, shall be protected by Consultant from unauthorized use and disclosure.
- b) Permission to disclose information on one occasion, or public hearing held by TAMC relating to the Agreement, shall not authorize Consultant to further disclose such information, or disseminate the same on any other occasion.
- c) Consultant shall not comment publicly to the press or any other media regarding the Agreement or TAMC's actions on the same, except to TAMC's staff, Consultant's own personnel involved in the performance of this Agreement, and at public hearings or in response to questions from a Legislative committee.
- d) Consultant shall not issue any news release or public relations item of any nature, whatsoever, regarding work performed or to be performed under this Agreement without prior review of the contents thereof by TAMC, and receipt of TAMC'S written permission.
- e) Any subcontract entered into as a result of this Agreement shall contain all of the provisions of this Article.

25. Compliance with Terms of Federal or State Grant. If any part of this Agreement has been or will be funded pursuant to a grant from the federal or State government in which TAMC is the grantee, Consultant shall comply with all provisions of such grant applicable to Consultant's work hereunder, and said provisions shall be deemed a part of this Agreement as though fully set forth herein.

26. Use of United States –flag Vessels. If this Agreement relates to a federally-funded construction contract, the Consultant agrees:

- c) To insert the substance of the provisions of this clause in all subcontracts issued pursuant to this Agreement.

27. Prevailing Wages.

If Consultant elects to keep the equipment, fair market value shall be determined at Consultant's expense, on the basis of a competent independent appraisal of such equipment. The Web Content Accessibility Guidance (WCAG) was integrated into Section 508 of the American with Disabilities Act in January 2018 as the industry standard in accessibility.

Guidance and Success Criteria from the WCAG are organized into the following four principles:

1. Perceivable
 - Provide text alternatives for non-text content.
 - Provide captions and other alternatives for multimedia.
 - Create content that can be presented in different ways, including by assistive technologies, without losing meaning.
 - Make it easier for users to see and hear content.
2. Operable
 - Make all functionality available from a keyboard.
 - Give users enough time to read and use content.
 - Do not use content that causes seizures.
 - Help users navigate and find content.

3. Understandable

- Make text readable and understandable.
- Make content appear and operate in predictable ways
- Help users avoid and correct mistakes.

4. Robust

- Maximize compatibility with current and future user tools

A few key aspects that relate to content to be posted onto the Agency website include:

- Integrating alternative text for images and maps
- Using distinguishable colors and design techniques that are comprehensible for the color-blind
