Rumble Strip Work on Blanco Road March 13th

A stretch of Blanco Road be impacted by road work this week as Monterey County Resource Management Agency – Public Works crews take advantage of dry weather to do needed roadwork.

On Wednesday, March 13th, crews will be patching existing bike lane rumble strips on Blanco Road from Davis Road to Research Drive. The project will require traffic control and alternating lanes so long delays can be expected and motorists are advised to use alternate routes such as Reservation Road.

Project hours will be 8:30 a.m. to 4:30 p.m. If an additional day is needed to complete the work, details will be announced and posted online. Information about all county road projects can be found at: <http://www.co.monterey.ca.us/government/departments-i-z/resource-management-agency/public-works/road-conditions-closures>.
