Regional Transportation Plan –
Defining Priorities for Monterey County

This survey asks questions about what you identify as regional transportation needs in Monterey County. Feedback received through the survey will help the Transportation Agency for Monterey County revise goals and policy objectives for the 2022 Regional Transportation Plan.

More information about the regional transportation planning process, and to access the 2018 Regional Transportation Plan, follow this link: https://www.tamcmonterey.org/programs/long-range-plan/

1. What is your number one transportation goal for Monterey County over the next 20 years?
