FILING DEADLINE: Open Until Filled

SUPPLEMENTAL QUESTIONS

TRANSPORTATION ENGINEER
Associate - Principal Levels

Instructions:
Responses to these Supplemental Questions must be submitted with your completed application materials. Invitations to participate further in the hiring process will be based on an evaluation of your application and the response to these questions. Applications received without a Supplemental Questions Response will not be considered. A resume, letter, application, etc. will not be accepted as a substitute for a response to these questions. Failure to provide a complete response to any of these required questions will eliminate you from further consideration. Please number your responses and address each question separately. Include your name and the title of the position for which you are applying at the top of each page submitted.

1. Please describe your experience, training and involvement as a Project Manager for roadway projects. Provide two examples that demonstrate your experience coordinating among consultants, oversight agencies (such as Caltrans) and local jurisdictions to deliver projects.

2. Please describe your approach to incorporating transportation safety features, including roundabouts, pedestrian crossings, bikeways and other Complete Streets principles into roadway projects.

SELECTION PROCEDURES

All application materials will be competitively evaluated. Those applicants who are determined to be the most appropriately qualified will be invited to participate further in the process. An oral and/or written exam may further assess the applicant’s level of required skills and knowledge. If you have questions call (831) 775-0903.
